

GAMS - Commercial Price Schedule - July 4, 2010

Commercial Prices		
	Problem Types	Single User US\$ 3,200
GAMS Base Module (required with all solvers and solver links) includes:		
GAMS Language Compiler, CONVERT tools, EMP framework, UNIX utilities, GDY utilities		
GAMS Open Source Solvers and Links ¹⁾	LP/MIP /MINLP/NLP	
GAMS/LOGMIP Solver	MIP/MINLP	
GAMS/MILES	MCP	
GAMS/NLPEC	MPEC	
All other solvers in limited versions ²⁾		
- add secure (encrypted) work file option		US\$ 3,200
GAMS/Solvers (for platform availability check table below)		
GAMS/ALPHAECF (requires presence of a MIP solver)	MINLP	1,600
GAMS/BARON (requires presence of at least one additional solver, please consult for further information http://www.gams.com/baron/)	MINLP/NLP	1,600
GAMS/CONOPT	NLP	3,200
GAMS/CPLEX (LP, Barrier, Parallel)	LP/QCP	6,400
- add MIP and Quadratic option	MIP/MIQCP	3,200
GAMS/DECIS (requires presence of a GAMS/CPLEX or a GAMS/MINOS license)	LP	9,600
GAMS/DICOPT (requires presence of a MIP and an NLP solver)	MINLP	1,600
GAMS/GUROBI (LP, Barrier, MIP, Parallel)	LP/MIP	6,400
GAMS/KNITRO	NLP	3,200
GAMS/LGO ³⁾	NLP	1,600
GAMS/LINDOGLOBAL ³⁾ (requires presence of a GAMS/CONOPT license)	MINLP/NLP	1,600
GAMS/MINOS	NLP	3,200
GAMS/MOSEK (LP, Barrier, Parallel)	LP/QCP/NLP	3,200
- add MIP option	MIP/MIQCP	3,200
GAMS/MPSGE		3,200
GAMS/MSNLP (includes NLP solver LSGRG2)	NLP	1,600
GAMS/OQNLP (includes NLP solver LSGRG2 and solver GAMS/MSNLP)	MINLP/NLP	3,200
GAMS/PATH (includes NLP solver PATHNLP)	MCP/NLP	3,200
GAMS/SBB (requires presence of an NLP solver)	MINLP	1,600
GAMS/SNOPT	NLP	3,200
GAMS/XA (LP, Barrier, MIP)	LP/MIP	3,200
GAMS/XPRESS (LP, Barrier, MIP, Parallel)	LP/QCP/MIP	9,600
GAMS/Solver Links (no license for solvers included, require an appropriate callable library license)¹⁾		
GAMS/CPLEX Link	LP/QCP /MIP/MIQCP	3,200
GAMS/GUROBI Link	LP/MIP	3,200
GAMS/MOSEK Link	LP/QCP /NLP/MIP /MIQCP	1,600
GAMS/XPRESS Link	LP/QCP/MIP	3,200
Additional Set of Manuals + Software DVD		
50		

¹⁾ Use of the GAMS Solver Links, including the Open Source Links to commercial solvers, requires confirmation that the user has a valid license agreement for use of the current version of the solver library, and that the use of the solver will comply with the terms of that license agreement.

²⁾ 300 constraints, 300 variables, 50 discrete variables, 2000 linear non-zeros, and 1000 non-linear non-zeros, Global solvers: 10 constraints, 10 variables

³⁾ Maximum model size: 2000 constraints and 3000 variables.

- **NLP Packages:** NLP solvers (CONOPT, KNITRO, MINOS, SNOPT) are discounted 25% when two or more are purchased.
- **GLOBAL Packages:** GLOBAL solvers (BARON, LGO, LINDOGLOBAL, MSNLP) are discounted 25% when two or more are purchased.
- **Multi-copy Discounts:** We provide multi-copy discounts for additional single-user licenses on the same platform: 30% discount from the original price for the second copy and 50% discount for the third and following copies.
- **Multi User/Departmental (MUD) Licenses:** In addition to a single user license we provide multi user/departmental (MUD) licenses which allow usage of the licensed software on one or more computers running the same operating system.

License Type	Number of Users	Price
small MUD license	up to 5	twice the price of a single user system
medium MUD license	6 to 10	three times the price of a single user system
large MUD license	11 to 20	four times the price of a single user system

- **Maintenance and Support:** The license fee covers a perpetual license to use the software. In the first year after the purchase of the software, maintenance and support (M&S) is free. After the first year the optional annual fee for M&S is 20% of the listed price for all licensed modules. M&S allows free updates, technical support and platform switching without additional charge.
- **Prices:** All prices are stated in US Dollars. The prices do not include applicable taxes and tariffs.
- **Shipment:** The license will be sent to the user via e-mail. The software is available for download at our web site. The prices for new systems include physical shipment of the manuals and a software DVD via parcel courier.
- **Regulations:** We follow the policies and regulations of the Bureau of Industry and Security ([BIS](#))
- **Ordering:** Please contact one of the following GAMS distributors for detailed ordering information.

¹)GAMS distribution for HP 9000/HP-UX is 22.1.

²)GAMS distribution for SGI IRIX is 22.3.

³)GAMS distribution for DEC Alpha is 22.7.

⁴)GAMS distribution for Mac PowerPC is 23.3.

For backward compatibility we maintain older versions of operating systems and solvers. Please call.
